WARRANTY

OPTION 1: AS IS - Displays can be sold “as is” with no warranties or guarantees. The buyer assumes all risk associated with the handling and use of the displays.

CLG Displays will be held harmless for any injury or illness associated with the purchase, handling and use of the displays.

OPTION 2: REFURBISHED - Displays will have paint touched up, wiring checked and repaired, making sure all sockets are working. Incandescent bulbs will be removed and replaced with C7 LED Bulbs.
Displays will receive CSA SPE 1000 Inspection and Certification.

CLG Displays warranties to the original owner that all refurbished displays will be in good working condition.

Under normal conditions of use and service this warranty extended for one year on frames, wiring and LED Bulbs.

Under this warranty CLG Displays obligation to repair or replace does not include associated install/removal or shipping costs.

CLG Displays are not responsible for any products damaged or lost due to vandalism, extreme weather conditions, or acts of God and will make efforts to repair or replace such product for an additional charge.
