# All Season Banners

## Vinyl Street Banner

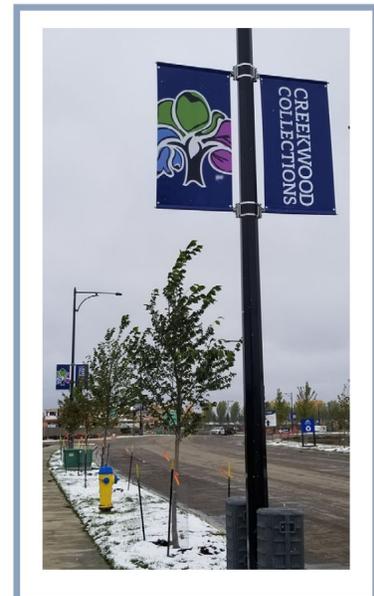

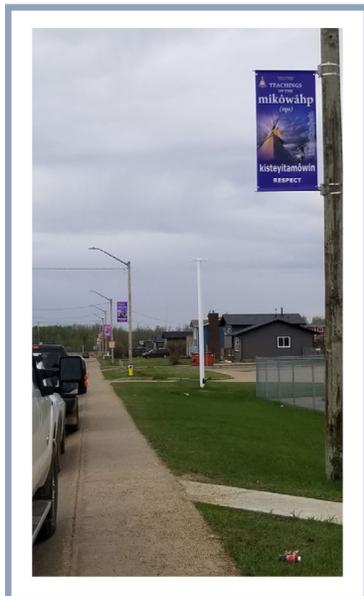

Vinyl is the most popular choice of material for street banners. Lightweight, easy to install and durable. 18 oz Blockout, Double Sided.

## Mesh Vinyl Street Banner

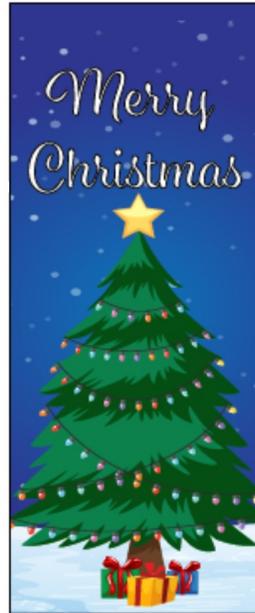

The mesh material allows the wind to pass through. Most suited for windy areas. 14 oz Blockout, Double Sided.

## Nylon Street Banner

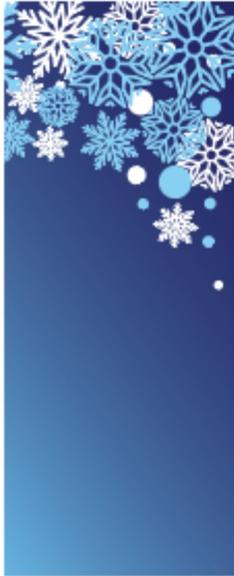

Great for short-term use. Less expensive alternative for vinyl. This material looks beautiful in sunlight. Can be printed single/reverse, 200D.
